The image shows a screenshot of a Python 3.11.0 IDLE Shell window. The window has a title bar that reads "IDLE Shell 3.11.0" and a menu bar with "File", "Edit", "Shell", "Debug", "Options", "Window", and "Help". The main area is a dark blue console with white text. The text in the console reads: "Python 3.11.0 (main, Oct 24 2022, 18:26:48) [MSC v.1933 64 bit (AMD64)] on win32" followed by "Type 'help', 'copyright', 'credits' or 'license()' for more information." Below this, there is a red prompt ">>>" and a large empty space for code entry. The status bar at the bottom right shows "Ln: 3 Col: 0".
